

REMARKS

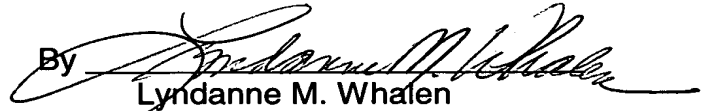

Each of Claims 1 and 21 has been amended to correct the name of the additive. More specifically, these claims have been amended to change "2,2,4-trimethyl-1,2-pentanediol" to "2,2,4-trimethyl-1,3-pentanediol". Support for this amendment is found at page 3, paragraph [0013], line 2 of the specification.

Claim 21 has also been amended to delete the extraneous phrase "a B-side component comprising polymeric MDI, and". Support for this amendment is found at page 2, paragraph [0008], lines 5-6 of the specification and in original Claim 1.

These amendments are made to place this application in better form prior to publication and do not necessitate further search or consideration on the merits by the Examiner.

Entry of this Amendment is therefore respectfully requested.

Respectfully submitted,

By
